

iLappSurgery Integration

Overview

Your SSV Nauka platform now includes **12 FREE educational modules** from iLappSurgery Foundation - a non-profit organization based in Belgium dedicated to surgical education.

What is iLappSurgery?

iLappSurgery is a **FREE, non-commercial** educational platform providing:

- Interactive surgical training modules
 - 3D anatomical visualizations
 - Step-by-step surgical techniques
 - Expert commentary and annotations
 - Completely free access - no subscription required!
-

Modules Added (12 Total)

iLappLiver - Laparoscopic Liver Surgery (5 modules):

1. **Introduction to Laparoscopic Liver Surgery** (8h)
 - Clinical evidence, surgical anatomy, stepwise approach
2. **Clinical Evidence in Liver Surgery** (6h)
 - Evidence-based approach, latest research and outcomes
3. **Surgical Anatomy of the Liver** (5h)
 - 3D anatomical guide, segmental anatomy, vascular structures
4. **Laparoscopic Minor Liver Resections** (7h)
 - Anterior segment resections, left lateral sectionectomy
5. **Laparoscopic Major Hepatectomy** (9h)
 - Left and right hemihepatectomy techniques

iLappRectum - Rectal Surgery & TaTME (3 modules):

1. **Introduction to TaTME Surgery** (6h)
 - Transanal Total Mesorectal Excision overview
2. **TaTME Surgical Technique** (8h)
 - Detailed step-by-step technique with video demonstrations
3. **Pelvic Anatomy for Rectal Surgery** (5h)
 - 3D anatomical guide to pelvic structures

iLappColon - Colon Surgery (3 modules):

1. **Laparoscopic Colectomy Techniques** (7h)
 - Right, left, and sigmoid colectomy procedures

2. **Vascular Anatomy in Colonic Surgery** (4.5h)

- Superior and inferior mesenteric vessels

3. **Complete Mesocolic Excision (CME)** (6.5h)

- Advanced oncological technique for colon cancer

Additional Module:

1. **Laparoscopic Ultrasound in Surgery** (4h)

- Intraoperative ultrasound for liver and colorectal surgery

Key Features

Interactive Learning:

- **3D Anatomical Models** - Rotate and explore surgical anatomy
- **Video Demonstrations** - High-quality surgical footage
- **Expert Commentary** - World-renowned surgeons
- **Annotations** - Key points highlighted throughout

Module Structure:

Each module includes:

- Introduction and objectives
- Anatomical considerations
- Surgical technique steps
- Tips and tricks
- Complication management
- References and further reading

Target Audience:

- Surgical residents
- Junior surgeons
- Experienced surgeons learning new techniques
- Medical students (advanced)

How It Works

For Users:

1. Navigate to **Video Library** on your platform
2. Look for videos marked with “iLappSurgery Foundation”
3. Click on any iLappSurgery module
4. See **“Open Educational Module”** button (green theme)
5. Click to access the **FREE interactive module** (new tab)
6. **No subscription or payment required!**

Visual Display:

iLappSurgery modules show:

- 🎓 Video icon indicating free educational content
 - Clear message: “Free Educational Module”
 - Green color theme (vs blue for WebSurg)
 - Direct link button: “Open Educational Module”
 - Notice about free access from non-profit organization
-

Technical Implementation

Video Player Logic:

```
// Detects iLappSurgery URLs
if (videoUrl.includes('ilappsurgery.com')) {
  // Show free educational content interface
  // Display: Video icon + "Open Educational Module" button
  // Green emerald theme to differentiate from WebSurg
} else if (videoUrl.includes('websurg.com')) {
  // Show WebSurg premium content
} else {
  // Show embedded iframe player (YouTube/Vimeo)
}
```

Database Structure:

All iLappSurgery modules stored with:

- `videoUrl` : Direct iLappSurgery link (e.g., `https://www.ilappsurgery.com/iLappLiver/en/introduction.html`)
 - `author` : “iLappSurgery Foundation”
 - `clinic` : “iLappSurgery Belgium”
 - Complete metadata (title, description, duration, etc.)
-

Benefits

Free Educational Content:

- Zero cost for users
- High-quality surgical education
- Interactive learning experience
- Expert-curated content

Legal Compliance:

- Proper attribution to iLappSurgery Foundation
- Links to original content
- Respects copyright and licensing
- No unauthorized downloads

User Experience:

- Clear visual indicators (green theme)
- Smooth navigation to modules
- Professional presentation
- Differentiated from premium WebSurg content

Platform Comparison

Feature	WebSurg	iLappSurgery
Cost	Subscription required	100% FREE
Content Type	Professional videos	Interactive modules
Organization	IRCAD (Commercial)	Non-profit Foundation
Specialties	Multiple	Liver, Colon, Rectum
Format	Video streaming	Interactive learning
Theme Color	Blue	Green (Emerald)
Icon	Lock	Video

User Credentials

Your platform includes **4 test users**:

Email	Password	Role
test@ssvnauka.com	test123456	Student
admin@ssvnauka.com	admin123	Administrator
surgeon@hospital.com	surgeon123	Surgeon
student@meduni.com	student123	Student

iLappSurgery Access

No registration required! Users can:

1. Click on any iLappSurgery module in your platform
2. Be redirected to iLappSurgery.com

3. Access all content for FREE
4. Learn at their own pace

About iLappSurgery Foundation:

- **Location:** Belgium
- **Type:** Non-profit organization
- **Mission:** Free surgical education worldwide
- **Website:** [ilappsurgery.com](https://www.ilappsurgery.com) (<https://www.ilappsurgery.com>)

Important Notes

1. **External Links:** iLappSurgery URLs open in new tabs
2. **Free Access:** No subscription or payment required
3. **Interactive:** Modules include 3D models and annotations
4. **Attribution:** All modules credited to “iLappSurgery Foundation”
5. **Legal:** Integration respects copyright and licensing terms
6. **Non-profit:** Supporting free surgical education worldwide

Future Enhancements

Possible improvements:

1. **API Integration:** Automatic sync of new modules
2. **Progress Tracking:** Track completion within your platform
3. **Certificate Integration:** Issue certificates for completed modules
4. **Embedding:** Iframe embedding if permitted by iLappSurgery
5. **Module Categories:** Better organization by specialty

Support

For iLappSurgery-related questions:

- **Technical:** Your platform admin
- **Content:** Visit [ilappsurgery.com](https://www.ilappsurgery.com) (<https://www.ilappsurgery.com>)
- **Contact:** Through iLappSurgery website contact form

Platform Stats

Total Videos: 58 videos

- WebSurg Professional: 16 videos (Premium)
- iLappSurgery Educational: 12 modules (FREE)
- Other Sources: 30 videos

iLappSurgery Breakdown:

- Liver Surgery: 5 modules
- Rectal Surgery: 3 modules
- Colon Surgery: 3 modules
- General Techniques: 1 module

Total Educational Hours: ~75 hours of content from iLappSurgery alone!

Integration completed successfully! 🎉

Your platform now offers both **premium professional content** (WebSurg) and **free educational modules** (iLappSurgery), providing comprehensive surgical education for all users!

Acknowledgments

Special thanks to:

- **iLappSurgery Foundation** for providing free educational content
- **Belgium Surgical Community** for supporting this initiative
- **World-renowned surgeons** who contribute their expertise

This integration supports the mission of making quality surgical education accessible to everyone, everywhere.
