How It Works

For Users:

1. Navigate to **Video Library** on your platform
2. Click on any GIBLIB video thumbnail
3. See a professional **“Watch on GIBLIB”** button
4. Click to open the video on YouTube (preview) or GIBLIB platform (full version)
5. **Subscription required** for full access on watch.giblib.com

Visual Display:

GIBLIB videos show:

-  Film icon indicating GIBLIB content
- Clear message: “Premium Medical Education - GIBLIB”
- Direct link button: “Watch on GIBLIB” or embedded YouTube preview
- Teal/cyan theme for visual differentiation
- Notice: “Professional subscription platform for physicians”

Technical Implementation

Video Player Logic:

```
if (videoUrl.includes('youtube.com') && clinic.includes('GIBLIB')) {
  // Option 1: Display GIBLIB overlay with:
  // - Film icon
  // - Teal/cyan theme
  // - "Watch on GIBLIB" button
  // - Links to YouTube preview or watch.giblib.com

  // Option 2: Embed YouTube preview directly
  // - Allow users to watch preview on platform
  // - Provide link to full version on GIBLIB
}
```

Database Structure:

```
model Video {
  videoUrl String // Contains YouTube URL for GIBLIB previews
  author String // "Tom C. Nguyen, MD, FACS, FACC" or "GIBLIB Faculty"
  clinic String // "GIBLIB - Premium Medical Education Platform"
  // ... other fields
}
```
